CODE OF CONDUCT

The Club will:

- Treat all players as individuals and encourage each to their full potential.
- Expect the highest standards of behaviour from both players and Parents/Guardians.
- Lead by example and actively promote fair play in playing to both the spirit and the laws of the game.
- Deal promptly, and in an appropriate fashion with any persistent or unacceptable behaviour from either players or Parents/Guardians.

Parents/Guardians will:

- Lead by example in supporting the Club in all its undertakings highlighted above, but most importantly, in expecting and maintaining the highest standards of behaviour/respect.
- Actively support and take an interest in their child's progress ensuring, at the very least, they are dropped off and collected promptly by a responsible adult.
- Inform the Team Manager of any factors, medical or otherwise, which may affect their child's behaviour, performance or absence.
- Ensure their child wears appropriate kit for training, and the Club kit is only worn when playing for the Club.
- Support, where possible Club activities that are organised on behalf of the Club.
- Adhere to the club's rules, policies and guidelines.
- All Parents/Guardians/Spectators will maintain the highest standards of behaviour/respect, showing consideration and good manners to the opposition at matches, including players and officials of both their Club and their supporters.

Players will:

- Maintain the highest standards of behaviour/respect, showing consideration and good manners to all others, including players, team managers/coaches and officials of the Club, at the same time keeping the same standards towards the opposition.
- Adhere to the club's rules, policies and guidelines.
- Do their best to learn and understand the laws of the game and play within the spirit with which it is intended.
- Give their best and be committed to the interests of the team during both training and matches.

I agree to adhere to the above Code of Conduct:
